

Dear Team Managers,

Please note the following 3 items:

1. There are adjustments to the start-times of certain ties on Friday and Saturday as follows. This is so there is enough time to complete the preparations for Court 1 TV coverage:

Friday Oct 21, Morning session: The ties on Courts 7 and 8 will start at 08:30 instead of at 09:00. The other ties will continue to start at 09:00.

Friday Oct 21, Afternoon Session: The ties on Courts 7 and 8 will start at 12:30 instead of at 13:00. The other ties will continue to start at 13:00.

Saturday Oct 22, Morning Session: The ties on Courts 7 and 8 will start at 08:30 instead of at 09:00. The other ties will continue to start at 09:00.

Please also recheck your team's court assignments on Friday and Saturday as a few changes to assigned courts have also been made.

2. A reminder that in the play-offs, if you wish to play all 5 matches in the tie (rather than stopping when one team gets to 3), please inform a Referee BEFORE the start of the tie. These "extra" matches may be played without line judges. Note, that all 5 matches will automatically be played in ties between the 5 fifth placed group teams (Iceland, Norway, Georgia, Slovakia, Tahiti), since this is in Round Robin format.

3. Finally, a reminder to please have your players show up in the colours of shirts and shorts/skirts that you declare when submitting your team nomination form for a tie, unless requested to change colours by a Referee.

Thanks as always for your cooperation, and in particular for the excellent job done so far by all Team Managers in submitting your team line-ups on-time.

Best wishes,

Chris Lawrence  
Referee
